

WELCOME TO OUR CLUB

HISTORY

The Los Gatos Swim and Racquet Club has been owned and operated by the Denevi family since 1959. Our facility offers programs in tennis, aquatics, children's programs, fitness/group exercise, Pilates, and Yoga. We also offer a variety of social activities for the entire family.

GENERAL INFORMATION

This booklet is filled with information about the Club's facilities, programs, special events, and rules and regulations. The Club's rules are designed to ensure that everyone has a safe and pleasurable experience at the Club. Please take time to read this booklet carefully.

The Club reserves the right to change or otherwise modify its facilities and the services offered from time to time, in its sole and absolute discretion, as required by business considerations and available facilities. This includes the right to close a portion of the facilities for necessary repairs or remodeling.

The Club may also adopt other rules or policies not herein covered and all members will be obligated to adhere to these policies. If adopted, they will be officially published in the Club newsletter or other written communication to members and become effective thirty days after they are adopted by Club management, unless deemed by the Club to be emergency rules and regulations, in which case the same shall become effective immediately and prior to any publication. These rules and regulations are not intended to regulate every occurrence at the Club. Club management reserves the right to take any action necessary to protect the Club and insure the safety and enjoyment of Club members.

Members and their guests are responsible for knowing the rules and for cooperating with Club staff in their enforcement. All members and their guests are subject to the rules and policies of the Club.

The staff of the Los Gatos Swim and Racquet Club is here to serve our members. If you have a concern relating to the Club, please ask to see a manager. They will be more than happy to help in any way possible.

Check-In Procedure

All members and guests must check in at the Front Desk upon entering the Club. The Front Desk staff will check you into our computer system at that time. While this process may take a few extra seconds, we feel it is the best way to ensure that those using the Club are current members or legitimate guest(s) who have paid a guest fee. Our staff MUST enforce this policy to protect the privileges of all the members of our Club.

Guest Policies

Members are welcome to bring guests to the Club. There is a fee for adults and juniors ages 4—17 years. There is no charge for children 3 years and under. The same person may attend as a guest twice in one month. Guests must be accompanied by the member at all times. Upon entering the Club, members MUST register their guest(s) with the Front Desk Staff. An additional fee may be charged to a member's account if guests are not signed in upon entering the Club. A member who wants to bring more than six guests at one time must obtain prior approval by a Front Desk manager.

Group Parties

The lawn area adjacent to the 75-foot pool and playground is an excellent place to have a children's birthday party &/or a family barbecue or end-of-school year party. Call the Front Desk to reserve your table and barbecue well ahead of your party date, especially in the summer months. Parties are limited to a maximum of 40 people. Members will be charged guest fees for any guests who are non-members. There is no additional charge to rent the area.

House Guests

House guest privileges are available for members who have guests staying in their homes for a short period of time. House guests must abide by all of the Club rules. Passes range from 10 days up to a maximum of one month. These passes must be purchased in advance. Upon entering the Club, the house guest must sign our Guest Sign In sheet. Please inquire at the Front Desk for prices and procedures for registering house guests.

MEMBER'S Children

All children six years of age and under may not be left unattended on the Club premises. They must be under parent, baby sitter or Childcare supervision. Children 7 to 13 years of age may use the Club facilities, (a parent must be on premises), but are limited to these areas: pool, pool deck, playground, grass area, basketball court and Junior Lounge. Parents must be actively supervising their children while they are in the pool or spa, especially when lifeguards are not on duty.

Nanny and Baby Sitter Policy

A nanny may be added to a membership, provided the nanny lives in the member's home and the nanny's full-time job is to care for the member's children. There will be an administrative fee to add the nanny to a family membership, unless there are already five people on the membership. If this is the case, then there will be an additional fee to add the nanny to the account and the monthly dues will also be increased.

Baby sitters may use the Club with no guest fee assessed, provided that the baby sitter's sole purpose is to watch the member's children. This means the baby sitter MAY NOT use the Club in any capacity, i.e., work out, attend group exercise classes or any other activity which is not for the benefit of the member's children. The baby sitter must also accompany the member's children at all times.

Upon entering the Club, all nannies and baby sitters must sign our Guest Sign In Sheet.
